

OUR LIVING TAPESTRY

We create a comfortable, cheerful and caring home, where residents can “kick off their shoes”, by weaving a dynamic fabric of life with the threads of nurturing, children’s laughter, the companionship of animals and the songs of birds all framed with vibrant

The Challenge: Can We.....

- ➔ Care more than others think is possible
- ➔ Risk more than others think is reasonable
- ➔ Dream more than others think is practical
- ➔ Expect more than others think is achievable

**YES
WE
CAN!!!**

OUR LIVING TAPESTRY

An Interwoven Experience
Of Care & Living

Resident- Centeredness

A framework for delivering care which empowers residents to make their own decisions and empower the staff to support them.

Our Role

“Leadership is the act of taking people somewhere with an idea – visioning them into the future and then taking them there.”

Principle Elements of Creating the Tapestry Design

- Resident Focused Care
- Continuum of Care (Aging-in-Place)
- Supportive Relationships
- Nurturing Community
- Creating Home (Ambiance, Feel, Low Stress Environment)
- Maximizing People Potential
- Dynamic Partnerships
- Innovation
- Sharing

The Foundation of Our Tapestry (The Warp)

- Commitment to Resident Centeredness
- Leadership
- Empowerment
- Teams
- Continuous Improvement
- Innovation

The Threads of Our Living Tapestry (The Weft)

- Residents' Needs & Expectations
- Family & friends
- Caregivers
- Volunteers
- Community Partners
- Children
- Pets
- The Arts (Music, art, drama etc.)
- Programs (Therapeutic, recreation, leisure, intellectual)
- Cultural Sensitivity
- Greenery
- Ambiance
- Décor (Neighborhoods, signs)
- Reminiscing
- Companionship
- Worship
- Inspiration & Encouragement

Selecting the Threads: Type, Colour, Texture

How shall we weave our tapestry?

- Residents' needs & expectations
- Category of Caregivers
- Culture and Tradition
- Background
- Former Lifestyle
- Staff categories
- Community Caregivers
- Links & Partnerships
