## August 2024

### August Days

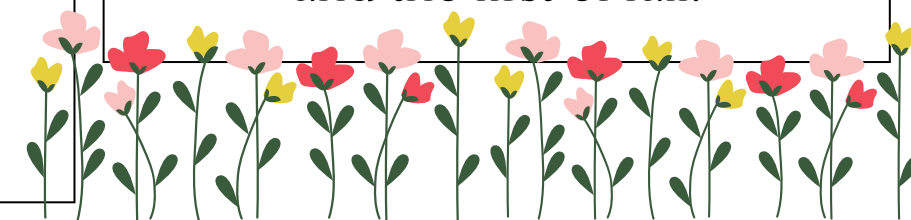

The last of summer  
and the first of fall -  
Together they stand  
in August days.

The garden is bright with  
summer bloom, And yet there  
creeps up that autumn haze.

You can look forward  
or look backwards  
To a lovely summer you would  
recall, But the changing  
of the season has come -  
The last of summer  
and the first of fall.

**Wilfred Heene**

**Widad Kharrat**

Wilf is a quiet but friendly man. He enjoys watching TV shows such as "Blue Bloods" and other true crime TV shows. He enjoys a visit from Recreation staff where he talks about his past profession of being a police officer. Wilf chooses which programs he participates in such as travelling library cart, Meal club, reading group and Special events. He gets along with his next-door neighbor and you can often find him making conversation with other residents while waiting in line for meals. He started wheeling himself in the hallway to greet other residents/staff with his beautiful smile.

**Let's congratulate Wilf as being the resident of the Month for August 2024!**

Widad is a newer resident at The Wellington but has adjusted herself with her surrounding! Widad is often seen walking in the hallway, greeting those she passes. She always brightens up a room when she smiles! She also uses her bright smile to communicate with others. Widad participates in programs such as exercises, singing along, dancing feet and hymn sing.
