### AND NOW IT'S SPRING

The grass is green across the hill.  
 But yellow blooms the daffodil,  
 It's sunshine on a little stalk,  
 A friendly flower, I bet they talk...

Of little kids, too long inside,  
 They burst outdoors to play and hide.  
 Tracking mud and bringing bugs.  
 Look, there's footprints on the rug!

Tiny whirlwinds, these little tykes,  
 They skin their knees while riding bikes.  
 They rip and roar, they're running wild!  
 What fun it is to be a child.

It grows warmer every day.  
 Shoo the children out to play!  
 Pick the flowers, play in mud,  
 Too much rain, here comes a flood!

My snowy, winter days are gone.  
 I mourn them, but I hear a song  
 Of birds in trees; wind chimes ring.  
 I guess it might as well be spring!

### International Women's Day!

March 8th, 2025

International Women's Day was honored for the first time in Austria, Denmark, Germany and Switzerland in 1911. On the eve of World War I campaigning for peace, Russian women observed their first International Women's Day on February 23, the last Sunday in February. Following discussions, International Women's Day was agreed to be marked annually on March 8 and this day has remained the global date for International Women's Day ever since!

### St. Patrick's Day

March 17th, 2025

Saint Patrick, who lived during the fifth century, is the patron saint of Ireland and its national apostle. Born in Roman Britain, he was kidnapped and brought to Ireland as a slave at 16. He later escaped, but returned to Ireland and was credited with bringing Christianity to its people. Perhaps the most well-known legend of St. Patrick is that he explained the Holy Trinity (Father, Son and Holy Spirit) using the three leaves of a native Irish clover, the shamrock.

### Ramadan

February 28th - March 29th

Every year, Muslims fast each day of Ramadan from dawn until dusk, for the duration of the month. Fasting consists of abstaining from eating or drinking, including water. The day after the end of Ramadan is a religious holiday called Eid-al-Fitr, a time for families and friends to come together and rejoice in the celebration of “breaking of the fast”.

# March Humour

Why shouldn't you iron a four-leaf clover?

You might press your luck!

Why are flowers so popular?

They have a lot of buds!

What's the best month of the year to host a parade?

MARCH!

It's allergy season again?!

You've got to be pollen my leg!
