A Mother's Love

In every heart, a mother's love
takes root, A steadfast presence
that bears eternal fruit,
Her touch, a grace that soothes
the deepest pain,
Her words, a light that guides
through life's terrain.
Her love, a wing that shelters from
life's gale, And lifts us up to
heights where we prevail, A bond
that holds us close and ever near,
And brings more joy with
every passing year.
